COUNCIL ADOPTED RESOLUTION NO. 85-155 AUTHORIZING THE DESTRUCTION OF CERTAIN RECORDS IN THE CITY CLERK'S OFFICE.

ACCEPT  
IMPROVEMENTS -  
GRAPE BOWL  
RESTROOM AND  
CONCESSION STAND  
RENOVATION

cc 140

Council accepted the improvements in "Grape Bowl Restroom and Concession Stand Renovation", and directed the Public Works Director to file a Notice of Completion with the County Recorder's Office.

Council was apprised that the contract for these improvements had been completed in substantial conformance with the plans and specifications approved by the City Council. The contract was awarded to RHS Construction, Inc. of Sacramento on May 15, 1985, in the amount of \$89,140. The final contract price was \$107,840. The difference between the contract amount and the final contract price is mainly due to:

1. Fire damage created by vandalism prior to their start.
2. Additional work found necessary because of dry rot and unsafe conditions.
3. Approximately \$6,000 attributed to additional concrete work related to the paving contract.

ENGINEERING  
DIVISION  
REORGANIZATION  
JOB SPECIFICATIONS  
APPROVED

cc 6  
cc 34

Council approved revised job specifications for the Assistant City Engineer, Chief Civil Engineer, Junior through Associate Civil Engineer, Engineering Technician Supervisor and Engineering Technician I/II.

YIELD SIGNS ON  
WASHINGTON STREET  
AT OAK STREET AND  
WALNUT STREET

cc 482

Council was apprised that Staff has received a number of complaints about yield signs on Washington Street at Oak Street and Walnut Street. An intersection study was performed by staff and the traffic volumes showed Washington Street had approximately twice as much daily traffic as Oak and Walnut. This would indicate the yield control should be installed on Oak and Walnut instead of on Washington Street. Generally the heavier volume street should be given the right-of-way over the minor street.

Council approved the removal of the yield signs on Washington Street at Oak Street and Walnut

NO PARKING ZONE ON  
HAM LANE AT LAKE-  
WOOD ELEMENTARY  
SCHOOL

RES. NO. 85-156

cc 485a  
cc 600

Council was informed that the Lakewood School principal, Mr. Garcia, notified Public Works staff that he would like to replace a portion of the loading zone with a no parking zone adjacent to the school crosswalk located on the south leg of the Ham Lane and Kirkwood Drive intersection.

A resolution was adopted in June 1979 establishing a loading zone on Ham Lane adjacent to the school. At that time trucks were making daily stops on Ham Lane and parents were unloading and loading their children, also. Currently, most trucks are using the parking lot, but the parents are still using this area to unload and load their children.

Council adopted Resolution No. 85-156 approving the replacement of a portion of the loading zone on Ham Lane adjacent to Lakewood School with a "No Parking" zone.

PUBLIC HEARING  
SET TO CONSIDER  
PERMIT PARKING IN  
AREA OF PACIFIC  
COAST PRODUCERS

cc 485a

Council was reminded that at the work study session of October 22, 1985, the City Council reviewed the prospect of establishing some form of residential permit parking in the area adjacent to the PCP Cannery on South Stockton Street. The Council was in agreement that this matter be set for Public Hearing.

Council set a public hearing to consider the establishment of public parking in the Pacific Coast Producers Cannery area for the regular meeting of December 4, 1985.

MANAGEMENT  
BENEFIT PACKAGE  
AMENDED

RES. NO. 85-157

cc 1/3/4  
cc 600

City Manager Peterson apprised the Council that when the Council established the management benefit package, it was designed to add to the present benefits available at that time. All management employees with the exception of the Police Chief and Fire Chief had available to them the long term disability plan. In order to provide a consistent set of benefits to all department heads, the City Manager recommended that the Council make the long term disability plan available to the Police Chief and Fire Chief.

Council adopted Resolution No. 85-157 thereby providing long term disability benefits to the Police Chief and the Fire Chief.

## PUBLIC HEARINGS

APPEAL OF RONALD  
B. THOMAS OF THE  
PLANNING  
COMMISSION'S  
CONDITIONAL  
APPROVAL OF THE  
REVISED TENTATIVE  
MAP OF THE  
JOHNSON-  
TANDY  
SUBDIVISION DATED  
JUNE 1985

cc 6  
cc 46

Notice thereof having been published according to law, an affidavit of which publication is on file in the office of the City Clerk, Mayor Hinchman called for the Public Hearing to consider the appeal of Mr. Ronald B. Thomas, c/o R. Thomas Development Company, P. O. Box B-28, Lodi, California, of the Planning Commission's conditional approval of the Revised Tentative Map of the Johnson-Tandy Subdivision dated June 1985.

Council was apprised that at its meeting of Monday, September 23, 1985, the Lodi City Planning Commission approved the Revised Tentative Map of the Johnson-Tandy Ranch Subdivision, dated June, 1985. The revised map substituted single-family lots for much of the cluster homes area along Century Boulevard.

Ronald B. Thomas, on behalf of the Johnson Ranch, a General Partnership, has appealed condition 13 of the Commission's approval which reads:

"That the alignment of Century Boulevard be modified to conform to the requirements of the Century Boulevard-Cherokee Lane intersection with the design of said intersection approved by the California State Department of Transportation and with the intersection construction being the responsibility of the developer."

The Johnson Ranch, General Partnership believes the Century-Cherokee construction is the City's responsibility.

Diagrams of the subject area and additional information was provided by Public Works Director Ronsko, who responded to questions regarding the matter as were posed by the Council.

Mr. Ronald B. Thomas, c/o R. Thomas Development Company, P. O. Box B-28, Lodi, California spoke on behalf of the appeal.

On motion of Council Member Snider, Hinchman second, Council directed Staff to develop alternates for the City's participation in the construction of the subject intersection and for staff to bring back these alternatives for Council's review at the earliest convenient date. The Public Hearing will be continued at that time. The motion carried by unanimous vote of all Council Members present.

PLANNING  
COMMISSION  
REPORT

City Manager Peterson presented the following Planning Commission Reports of the Planning Commission Meeting of October 14, 1985 and October 28, 1985:

ITEMS OF INTEREST

At the Planning Commission Meeting of October 14, 1985, the Planning Commission -

## RECESS

Mayor Hinchman declared a five-minute recess and the meeting was reconvened at approximately 9:05 pm.

BUILDING MORATORIUM  
ON CONVERSION OF  
SINGLE-FAMILY HOMES  
TO MULTIPLE FAMILY  
IN CERTAIN DEFINED  
AREAS

URGENCY ORDINANCE  
NO. 1369 ADOPTED

*cc'd  
2251a  
2252a*

This agenda item was introduced by City Manager Peterson who advised that at a recent joint meeting, the City's Planning Commission and the City Council discussed the proliferation of conversions of single family residences to multiple family units. Both bodies expressed considerable concern regarding the ability of the City's infrastructure to accommodate these large numbers of land use changes. Also of concern was the impact such projects have on the neighborhood in which they are located, as well as the impact on the school district.

Staff then reviewed the process of establishing a moratorium on the conversion of single family residences to multiple family residential units in certain areas within the City and responded to questions as were posed by the Council.

A diagram of the proposed area of concern was displayed and additional discussion followed.

The following persons who were in the audience addressed the Council regarding the matter:

- a) Mr. Larry Redman, 325 E. Locust Str., Lodi
- b) Mr. Arthur Schnell, 1830 N. Lakeshore Drive, Lodi
- c) Mrs. Janet Pruss, 2421 Diablo Court, Lodi
- d) Pastor Ronald Greilich, 611 Tahoe Court, Lodi
- e) Mr. George Galatsatos, 16767 Tretheway Road, Lodi
- f) Mr. Sid Crawford, 4645 Moser Drive, Lodi

Following additional discussion, Council on motion of Council Member Pinkerton, Snider second, adopted Urgency Ordinance No. 1369 which established with certain exceptions pursuant to Section 65858 of the State of California Government Code, only single family dwellings on vacant lots of record will be permitted to be constructed or reconstructed within a prescribed area of the City of Lodi as of November 6, 1985. The exception of this Ordinance will be the erection of multiple-family units on lots of record previously

approved by the City Council for the issuance of Multiple-Family Mortgage Revenue Bonds, 2) the erection of commercial or industrial structures in zones that conform, and 3) the remodeling of any multiple-family structures.

Further, Council set a public hearing for the Regular Council Meeting of December 4, 1985 for review of the matter as prescribed by Section 65858 of the State of California Government Code. The motion carried by a unanimous vote of all Council Members present.

RESOLUTION AUTHORIZING  
EXECUTION OF PROJECT  
DEVELOPMENT AGREEMENT  
#2 FOR TRANSMISSION  
AGENCY OF NORTHERN  
CALIFORNIA (TANC)

RES. NO. 85-158

*cc 11/6/85*

City Manager Peterson presented for Council approval California-Oregon Transmission Project (Project Agreement No. 2). Mr. Peterson apprised the Council that this is the next step in realizing the completion of the construction of the proposed 500-KV transmission line between Central California and Southern Oregon. The project participants include not only the Northern California Power Agency (NCPA) cities, but six Southern

California cities, the Sacramento Municipal Utility District, the State of California, the Federal Government, and the three investor-owned utilities in the state which includes the Pacific Gas and Electric Company.

Execution of this agreement by all of the agencies belonging to the Transmission Agency of Northern California (TANC) authorizes TANC to execute an agreement to proceed with the project in partnership with the other public and private entities listed above.

The City of Lodi has a 1.686% share in TANC. It is not possible to pinpoint the precise financial obligation of our city until the bonds are sold. However, Mr. Peterson advised that the City anticipates an issue of approximately \$450,000,000 which would translate to an annual debt service obligation of something in the range of \$250,000 to \$275,000. This would be funded via our rate structure in effect at the time the project is undertaken (1990).

Following discussion, on motion of Mayor Pro Tempore Reid, Hinchman second, Council adopted Resolution No. 85-158 authorizing execution of Project Development Agreement #2 for Transmission Agency of Northern California (TANC), and authorized the Mayor and City Clerk to execute the subject document on behalf of the City.

The motion carried by the following vote:
